

God Speaks to Me, Too

A Spiritual Memoir

BY PATRICK J. DELOHERY

"I was ten years old when I watched in horror as one of my brothers attempted to murder my other brother — with a shotgun I brought to their fistfight...

...that's when God made his divine love and Grace known to me...and my life was forever changed."

ABOUT THE BOOK

God Speaks to Me, Too is the testimony of a man whose life has been blessed, from childhood, by a violent event that revealed the unmistakable presence of God and the Holy Trinity. It moves through decades of divine encounters and the unimaginable loss of his son Adam — a life shaped by being in a constant state of prayer...a continuous conversation with God.

"Of course it was Adam"

— THE LESSON HE WILL CARRY FOREVER

If you have walked away from religion but not from God — this book is for you. If you are sitting in grief right now, wondering where he is — this is especially for you.

ABOUT THE AUTHOR

Patrick J. Delohery is an electrical engineer with a 35+ year career across consumer, industrial, and defense sectors — including system integration work at NSA Headquarters and Johns Hopkins Applied Physics Laboratory on assignment from Honeywell. He is a named inventor on multiple U.S. and foreign patents; his first chip design still runs in 5+ million deployed systems. He is the founder of EPIC Engineering Solutions in Colorado Springs, Colorado.

FROM THESE PAGES

God did not abandon me. He withdrew. Those are different things.

— ON GRIEF AND FAITH

Gabriel has something to say to you. In spite of God removing the path from you, you stayed on the path — and we noticed.
