

God Speaks to Me, Too

A Spiritual Memoir

BY PATRICK J. DELOHERY

*“I was ten years old when I watched in horror as one of my brothers attempted to murder my other brother — with a shotgun I brought to their fistfight...
...that’s when God made his divine love and Grace known to me...and my life was forever changed.”*

ABOUT THE BOOK

God Speaks to Me, Too is a spiritual memoir about a man who heard God speak at ten years old, made a promise to Him at seventeen under a Colorado sky, kept that promise, broke his marriage vow at forty, and paid the price through ten years of divine silence before an Archangel returned with forgiveness on the exact anniversary of that failure.

“Of course it was Adam”

THE PROMISE MADE AT SEVENTEEN, AND WHAT IT FINALLY MEANT

Then his firstborn son Adam died, and he finally understood what the promise had always meant. The book follows the arc of direct relationship with God: a promise kept, a marriage vow broken, silence endured, forgiveness received, and God present in loss.

ABOUT THE AUTHOR

Patrick J. Delohery is an electrical engineer and multidisciplinary product-development leader whose career spans consumer, industrial, and defense sectors, including system integration work at NSA Headquarters and Johns Hopkins Applied Physics Laboratory while on assignment from Honeywell.

He writes as an engineer trained in measurable signal, verifiable data, and reproducible results, and as a father whose life with God was tested by grief, silence, forgiveness, and direct encounter.

FROM THESE PAGES
